## GREAT HARVEST OF GOLDSBORO NEWS

We've got lots coming up in the month of February. Be sure to PRE-ORDER Breads or Goodies for your parties and celebrations!

#### VALENTINE'S GIFTS

Looking for something special for Valentine's Day gifts? How about a Bread Kiss? A loaf of bread plus \$5-\$6.50 extra for a tea towel, or a loaf of bread plus \$2 extra for cellophane wrapping will give you an adorable gift that is irresistibly delicious! These work best with our round loaves, so if you would like us to knead a certain bread into a round loaf, please make sure you place your order at least 24 hours in advance.

Or, how about cookies for your sweetie? Let us gift wrap a six pack of your favorite cookies for only \$2.00 more for the sweetest of gifts.

Of course, we can gift wrap anything in a gift basket or gift bag for an additional fee. Just ask one of our Great Harvest crew members how we can help you create the perfect gift within your budget.

#### GREAT HARVEST COFFEE

Did you know we have our own special blend of coffee roasted right here in North Carolina? Our coffee has been selected by hand from the finest quality Arabica beans from Indonesia, South & Central America, and Africa. Our selected coffees contribute to saving delicate ecosystems of coffee growing communities. Roasted by Carolina Coffee Roasting Co. in Greensboro, NC, they are committed to offering Fair Trade and Organic Rain Forest Alliance to their customers.

Stop in and taste our special blend of Great Harvest coffee in addition to the flavors of the month. We are told by our coffee drinking customers that we have the best coffee in Goldsboro!

#### WE APPRECIATE PRE-ORDERS!

Did you know we crawl out of bed as early as 3:00 am to start our day at Great Harvest? We bake and make everything from scratch starting about 3:30 am, and the baking is completed by 10:30 am. Our products are sold within the first 24 hours to make sure you are receiving the freshest products possible. Sometimes we may run out of our breads or goodies, because they are just so good! So, if you cannot arrive until later in the day, just give us a call in advance so that we can hold your favorites for you. If you are purchasing a lot, it would help us if you would pre-order at least a day ahead so that we can make adjustments to our daily batch sizes.

How far in advance should you pre-order? As soon as you know the date of your event, let us know so that we can get you on our calendar!
